

Presentation 3:  
Improving in Warbler model  
'ISEC 2024 – Swansea'

Ron R Togunov, Philip Mostert, Bob O'Hara, Kwaku Adjei

Norwegian University of Science and Technology

13 July 2024

# Improving the Warber model

- ▶ Is there any indication that another model will be better?
- ▶ What improvements can be made?

# Better Warber Model

- ▶ Split the model into ecological and observation processes
- ▶ Spatial field + covariates
- ▶ spatial field + covariates + quadratics
- ▶ Define priors for the model
- ▶ formula specification
- ▶ Second spatial effect to account for bias
